

HITMAKER STUDIOS

STUDIO HIRE - PORT MELBOURNE

WHO ARE WE?

Designed by a working Film and Television professional, HitMaker Studios is in the heart of Port Melbourne. A medium-sized, fully sound-proofed stage, Twin Cycloramas (Chroma Green Screen and Matte White that both come with the large studio), a smaller chat and streaming studio, and additional facilities such as make-up, control rooms and green room charged only if used.

Upstairs there are 2 wings of production offices

(5 & 4 offices fully furnished with multiple desks in each) plus SDI and Ethernet links.

"Hitmaker is a beautiful and highly professional working space. Jon and his team have always gone above and beyond the call to ensure that our needs were met.

Service with a smile. Very highly recommended."

Don Percy, Director - ADONIS FILMS

WE'VE GOT:

- Easy ground floor load-in
- Audience permit available
- Essentials parking for Studio A
- FREE ALL DAY PARKING in all directions
- We can also hire in Crew and Production Equipment.

STUDIO A

OUR LARGEST SOUNDPROOF STUDIO

Dry hire is \$1300 for 9hr / \$850 for 4 hr + GST

All other facilities can be added and we can bring in gaffers and crew as required.

Some clients shoot in Studio A while simultaneously doing photography and publicity in Studio B.

"Hitmaker is our go-to studio when we're filming in Melbourne. The facilities are first rate and Jon and the team are total professionals."

Bryan Cockerill, Company Director, The Full Box

"We shot parts of 'The Very Excellent Mr Dundee' at Hitmaker Studios and used the upstairs as our Production Office for several months. Great facility and the guys there looked after us well."

Nigel Odell, Producer - The Very Excellent Mr. Dundee

"Hitmaker Studio's facilities were really functional and suited our needs for a broadcast conference perfectly. Using the studio during Covid restrictions was challenging but the environment was safe and clean at all times and the staff could not have been more helpful or professional. It is a wonderful venue to work with."

Jane Power, Executive Officer, VPELA

"We love filming at HitMaker Studios – the sound proof stage and facilities are fantastic. The team are super accommodating and helpful leading up to shoots and on the day to ensure shoots run as seamlessly as possible."

Lou Spargo, Two Tractors

STUDIO B

OUR SMALLER, SOUND TREATED STUDIO

Dry hire is \$800 + GST for an 8 hour day

It's used for interviews, chat shows, remotes, photography, etc.

We can provide full multicam facilities if required.
